- On which two fronts are changes perceptible in computer industry ?
- How can one know about the presence of pollution in water ?
- Describe in short the condition of Hiroshima after the dropping of the bomb?

UNIT - 2

Q-2 (A) Read the following passage and answer the question in your own words. 05

We seek happiness; yet often find it to be elusive. Searching for happiness is like looking for glasses while you are wearing them. No wonder you cannot find happiness because it is not outside but inside you. Every infant lives in a natural state of happiness. They are in awe of the world and experience joy with each discovery and accomplishment. However; as they grow, they are subjected to an endless barrage of criticism from those around them. As a result their psyche becomes filled with negative thoughts that prevent them from experiencing happiness. In fact, happiness is a state of being. The only time we live is now, so the place to be happy is here, the time to be happy is now and the way to be happy is to make others happy.

QUESTIONS :-

- Why can't we get happiness from outside ?
- Who lives in a natural state of happiness ?
- What prevents us from experiencing happiness ?
- How can we be happy ?
- Give a suitable title to the passage.
