Like meditation, Yoga is an extremely popular and effective method for becoming a more relaxed and easy going person. For ages Yoga has been used to clear and free the mind, giving people the feel to ease and tranquility. It is easy to do, takes only a few minutes a day. What more, people virtually of any age and fitness can participate and achieve progress and comfort.

Although Yoga is physical in nature, its benefits are both physical and emotional. On the physical side it strengthens the muscles and the spine, creating flexibility and ease of motion. On the emotional side, Yoga is a great stress

reducer. It balances the body, mind, spirit giving you a feeling of ease and peace.

Yoga is a series of stretches that is designed to open the body and lengthen the spine. The stretches focus on very specific places like the neck, back, hips, legs and spine. While stretching, the focus is on the actions. The effects of Yoga are amazing. In a few minutes one feels more open, peaceful, energetic and stress free.
